

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW MEXICO

VICTOR AND THERESA MARTINEZ, as
personal representatives of minor son
DARRELL MARTINEZ,

Plaintiffs,

vs.

Civ. No. 99-161 WWD/RLP

CHAMA VALLEY SCHOOLS, NEW MEXICO
PEST CONTROL, and VAN WATERS AND
ROGERS, INC.,

Defendants.

MEMORANDUM OPINION AND ORDER

This matter came before the Court for a Rule 16 conference with counsel who were present telephonically or in person. In Judge Puglisi's absence, I conducted the conference. Plaintiffs sought an extension of time in which to provide the identity of their experts and reports from them. Judge Puglisi had granted a prior request for such an extension. After hearing the presentations of counsel, I concluded that in the circumstances presented such an extension was not warranted.

WHEREFORE,

IT IS ORDERED that Plaintiffs' oral motion for an extension of time in which to disclose experts and to provide reports from those experts be, and it is hereby, **DENIED**.
